Good Morning

I am writing to see if it would be possible to request a Vehicle Activated Signs (VAS) and radar speed sign installed at Station Road Broadclyst as I am very concerned on the safety of pedestrian's along the road we have lived in the road for 15 years and the traffic has increased a tremendous amount in that time. I think a sign will help slow traffic down and make it a safer area for all .. I have been advised that the parish council has to be the first point of contact.

Kind Regards
