

# Macmillan

---

Our Macmillan fundraising group are looking forward to the 2016 Fun Day!

We have collected lots of toys from donations (mainly soft toys) and planning to run either a 'teddy tombola' or tin can alley game (with beanbags to knock down cans rather than shooting them - health and safety etc!) depending on what would best suit the event / weather etc. along with hopefully a giant connect 4 game all to hopefully raise funds.

We will then have some Macmillan info available and hopefully being there will help raise some awareness of available support but also hopefully we can encourage a few people to help with fundraising by volunteering if anyone would like to.

Come along and see us on Saturday!
