THANK YOU FOR TAKING THE TIME TO COMPLETE THIS SURVEY

# Broadclyst Parish Neighbourhood Plan Community Survey

Thank you for taking the time to read and complete this community survey. The results will be used to inform the Broadclyst Neighbourhood Plan which will be a planning document to guide future development of the parish over coming years.

Neighbourhood Planning was introduced in 2012 to enable communities to have a greater say in local development. Broadclyst’s Neighbourhood Plan will contain planning policies which, when completed, will sit alongside East Devon District Council’s Local Plan - with the same legal weight - and will be used to inform planning decisions within the parish. It will also be referred to by the Local Planning Authority when deciding local planning applications.

These questions reflect areas that have been identified as being important regarding the future development of the parish. We encourage young people to get involved too and trust that parents/carers will judge the appropriateness of the survey for their young people and will support them to make informed choices in response to the questions. This will ensure that we have a representative sample of all residents.

You can complete the survey on-line at:

<http://surveymonkey.com/s/broadclystNP>

If you are able to complete the survey online please do so as this will save the Parish Council money.

Alternatively you can scan and e-mail the completed survey to [clerk@broadclyst.org](mailto:clerk@broadclyst.org) or drop it off at : **19, New Buildings, The Post Office/Shop, The New Inn** or at the **Fun Day on June 25th**. You can also post the completed survey to Devon Communities Together, First Floor, 3&4 Cranmere Court, Lustleigh Close, Matford Business Park, Exeter, Devon EX2 8PW.

This survey is completely anonymous. We only ask for your postcode and age to help us understand any localised or age related issues and to ensure we have a representative sample of residents.

Devon Communities Together is supporting the Neighbourhood Plan steering group with this survey and will be analysing the responses to ensure that this is done independently.

If you require this survey in large print or need assistance to complete it please contact Angie Hurren, Clerk, on: 07532 286713

Please take a few minutes to fill in this survey with those who live in your property. Each member should use the same column and letter throughout, ie whoever fills in as 'Person A' in question 2, will answer as 'Person A' throughout. If your household has more than 5 residents please contact us for an additional sheet. Some questions are more general and can be answered by writing in the box provided. If there is a difference of opinion between household members please make clear with the appropriate letter which person the comment belongs to.

Please ensure completed surveys are returned by: **17 July 2016**
