## Your project

What is your project? What are you applying for the funding for?

Our Club has seen a big growth now within the Village with a regular number of over 30 people attending training.

We currently use Clyst Vale Community College's equipment and also have some very old equipment. We would like to purchase some new posts to use for training and also some netball's. I would also like to purchase storage bags for the posts to keep them from getting ruined.

**Why do you want to carry out this project, why is it wanted, how do you know it is needed, who will it benefit and what difference will it make?**

**I know this equipment is needed to maintain our growth and be able to support the community more. I would also like to within the next year expand to have a younger age range.**

**Proposed timing of the project/ spending the money**

**Start: May 2017**

**End: May 2017**
