Your project

What is your project? What are you applying for the funding for?

I have recently set up a new Rainbow Guide unit in Broadclyst for girls aged 5-7 years old.

This important first step in GirlGuiding provides fun weekly activities (during term time) one evening per week including games, crafts, songs, sports, community activities, etc. It is all about having the space to try new things, taking part in a range of different activities with girls their own age, all under the ethos of 'Look, Learn, Laugh, Love'. Rainbows is all about learning about the world through doing and follows a diverse and engaging programme called the 'Rainbow Jigsaw'.

<https://www.girlguiding.org.uk/what-we-do/guiding-by-age-group/rainbows/>

There will be a number of start-up costs in the first term which are over and above the normal running costs which parental 'subs' and the Girlguiding new unit grant (which covers essential resources only) will pay for – this includes Rainbows specific programme resources, badges, games equipment, unit flag, activity costs, etc. Therefore any funds which can be sought from this local fund will greatly assist in being able to provide our Rainbow group the best possible start.

Why do you want to carry out this project, why is it wanted, how do you know it is needed, who will it benefit and what difference will it make?

Broadclyst currently has a Girlguiding presence which includes a Brownie Guide unit (for girls aged 7-10) and a Guide unit (for girls aged 10-15), which meet on Monday evenings at the Pavilions. However it does not have a Rainbow Guide unit (for girls aged 5-7). There is currently a greater demand for Rainbow places within East Devon than there are places in Rainbow units, and girls in Broadclyst currently have to travel to Cranbrook, Pinhoe, Exeter and other villages in order to access them. With the various building work happening in the local area, this demand for places is only going to increase as new families move to the area. The new Broadclyst group will therefore help with this increase demand for places. Girls who have the opportunity to be a Rainbow develop self-confidence, social skills, independence and most importantly a sense of self-identity over and above the opportunities available to them at school at this age.

Please give details of other sources of funding (including details of internal fund-raising and external grants). Also include details of any in-kind support (such as people giving their professional skills or time for free).

The Rainbow group will charge parents a termly fee ('subs') of £30 which includes a

contribution towards the GirlGuiding annual census cost. As this is a new unit, an application has also been made to GirlGuiding to request a grant towards start-up costs – however we can only claim for essential resources, for which a separate claim has been submitted to Girlguiding for the amount of £257.50. This claim is for other start-up items not already claimed for that we won't be able to cover from the Girlguiding grant or parental subs in the first term.

Also, leaders will run the group on a purely voluntary basis and not be financially recompensed for their time (only for expenses related to purchasing resources, etc).

If there is a shortfall in funding the project please tell us how this will be met:
