Your project

What is your project? What are you applying for the funding for?

Thanks to previous coaching support our club has grown and improved, and we plan to enter 4 teams in the Exeter league and Honiton league next season. The registration cost per team is £220.

Broadclyst Parish residents make up one and a half teams, so we are asking for support for these teams.

We would like to approach the council to help support us with this.

Why do you want to carry out this project, why is it wanted, how do you know it is needed, who will it benefit and what difference will it make?

We are asking so it helps the local residents gain experience playing netball at league level.

By helping us with this it will mean the squads can continue to thrive and attract more local residents without cost being a barrier to some members.

Proposed timing of the project/ spending the money

Start: August

End: September 18
