

Clerks report

Broadclyst Community Fund

Safe Places

1. Application details:

An application has been received for funding from Tornadoes Netball in the sum of £330

2. Criteria check:

The applicant meets the agreed criteria.

The project meets the agreed criteria.

The grant will be spent within the required timescale.

Evidence of need/community support?

Thanks to previous coaching support Tornadoes club has grown and improved, and they plan to enter 4 teams in the Exeter league and Honiton league next season. The registration cost per team is £220.

Broadclyst Parish residents make up one and a half teams, so they are asking for support for these teams.

They would like to approach the council to help support them with this.

Sustainability:

Tornadoes Club are asking so it helps the local residents gain experience playing netball at league level.

By helping them with this it will mean the squads can continue to thrive and attract more local residents without cost being a barrier to some members.

Matched funding:

Any deficit will be made from the club's own funds.

3. Recommendation

The Proper Officer has carried out a criteria check and confirms that this application meets the relevant criteria. It is therefore recommended that this application is approved, and a BACS payment for £330 be raised.

4. Balance of fund to date

Date:	Group	Award	Balance
<i>Opening fund balance</i>	<i>Broadclyst Community fund</i>		<i>£3,000</i>
July 2018	Tornadoes Netball Club	£330	£2670

This concludes my report

Angie Hurren

Broadclyst Parish Council Clerk
