Mrs A Hurren
Clerk to Broadclyst Parish Council

Dear Mrs Hurren,

Allocation of Street Name: New development Equinox 1 off Tithebarn Lane.

We have received a request from the developer Cavanna Homes allocate the official postal addresses to this development.

The developer, has suggested the following street names to which there is no objection (Street, Close, Way etc to be added)

Darwin
Newton
Galileo
Fleming

The old Parish Tithe Maps and Tithe Apportionment Transcription has proved useful in previous naming schemes.

Full details of the Tithe information can be found on the Devon County Council website:

<https://www.devon.gov.uk/historicenvironment/tithe-map/>

We would like the Parish Council to consider the developers suggestion of the above names or suggest an alternative street names.

We would be grateful if the Parish Council could suggest more than three street names, please list the names in order of preference. In the event Royal Mail has an objection to any of the street names, this will avoid any delay in allocating the official postal addresses.

Please provide a brief explanation of the reason why a street name has been chosen and why the developers street name proposal was not acceptable.
