

Deputy Clerks Report

JANUARY & FEBRUARY 2023

1. WILDFLOWERS

New seeds have been ordered – 6 kg for the wildflower beds around the parish with a new site near the Broadclyst LED Leisure center prepped for sowing.

2. DEFIB TRAINING

Southwestern Ambulance Service NHS Foundation Trust will be holding an annual free defib training session at Westclyst Primary school Thursday 30th March 2023 at 7pm. If anyone wishes to attend, please email the office.

3. FLY TIPPING

Fly tipping in the B3181 laybys have become a hotspot. I have reported this to EDDC 3 times since July last year. I've reported the latest case of fly tipping and emailed Street scene at EDDC (with district councilors copied in) to see if we can work together to put a stop to it! My email was passed on to the REACT Team at EDDC and I'm still awaiting an answer.

Also, the road signs which had been damaged at Holly Close and Broadview have been replaced with nice new road signs!

4. LITTER AND DOG BAG STATIONS

The long-awaited litter and dog poo bag stations are installed at Pinn Hill play park, Westclyst. This was a multi – company project with Eco Communities, who supplied the stations and Green Square Accord.
