

Deputy Clerks Report

MARCH & APRIL 2023

1. WILDFLOWERS

The wildflower areas have been prepared and seeds sown at the entrance to dog village, Green Tree Lane, Townend, in front of the primary school and by Killerton bus stop. We can look forward to seeing the flowers bloom later in the summer.

2. DEFIB TRAINING

Ambulance Service NHS Foundation Trust held an annual free defib training session at Westclyst Primary school Thursday 30th March 2023 at 7pm. A great session with over 10 residents attending the session. Excellent feedback was received from the residents who now felt more confident if they ever needed to use one.

3. No Mow MAY

The No Mow May campaign has started in Broadclyst with certain areas left to go wild for the month of May as part of the movement with Plantlife to encourage gardens and open green space to go wild for May! There are 6 areas of open green space allocated, On the playing field (in front of Gracey Court, Holly Close Triangle, entrance to Green Tree Lane, entrance to Acland Road. Signs explaining that the Council have left these areas to go wild are positioned in each area.

4. NEW LITTER BIN

The new litter bin has been installed at Pinn Court by our maintenance team. This bin will be emptied three times a week in line with the other bins we service in agreement with Green Square Accord.

5. NEW SHED AT PAVILIONS

The new shed is now installed and fitted with electric points and lighting.

6. LITTER PICK

A big thank you to the Broadclyst Environmental Group and all the volunteers who helped over the three areas of the parish: Broadclyst, Tithebarn and Westclyst for the Broadclyst Big Spring Clean. Lots of enthusiastic children along with their big people, ready to use the litter pickers supplied by the Parish Council, EDDC and Exeter City Council. A great job done by all.

This concludes my report to Council. Natasha Curwood,
Broadclyst Parish Deputy Clerk 09.05.2023
