SECTION B: ABOUT YOUR PROJECT

What is your project? What are you applying for the funding for?

Annual light switch on and lantern parade.
Applying for funding for hot chocolate (and all the trimming) mulled wine, mince pies and cookies.

Why do you want to carry out this project, why is it wanted, how do you know it is needed, who will it benefit and what difference will it make?

This will be our 4th Christmas light switch, and each year we try to mix it up and do a bit of a theme with it. Last year we had "Story with Father Christmas" with crafts, this year it's an outdoor event with a lantern parade.

We have tried to think about all ages and members of the Parish, and we feel the light switch on is a really popular event that brings in all ages groups. We know everyone really looks forward to it, and love seeing the lights on each evening.

There will be lantern making in the day for a small fee, and then we will do a parade with the lanterns through the village to the green behind the victory hall tree, where we will do our light switch on, and we will have Carol singing (Broadclyst Theatre Group) and a snow machine.

After, we have Ember Pizzas and Flippy Chippy for our food options and the social club for drinks after.

We would like a small grant of £130 to provide simple and festive drinks and snacks to all those that attend which will be given to them free of charge.

We have decided we won't be advertising that it will be free, but on the day we hope it will be a nice surprise for our parish members who came and those outside that may also visit, and support us with all our events. We feel it's a nice give back to the community. We will be sure to say it was funded by the Parish.

We will have a lit up Gazebo where this will be served outside. We will also have some tables and chairs for those that wish to sit down.

Proposed timing of the project/ spending the money

Start:
Our event is on the 2nd December between 11am -8pm

End:
