3. ANNUAL PARISH MEETING – APRIL 28TH 2026 – 6.30PM

This year's Annual Parish Meeting is shaping up to be something special. We'll be showcasing the fantastic local groups and initiatives that received grant funding during the 2025-2026 financial year, providing an inspiring snapshot of what our community makes possible when we work together. We'd love to see you there - please come along and feel free to bring your family. It's a great chance to celebrate local achievements and connect with neighbours.

This concludes my report.
