

Report to Council – Legionella Compliance Contract 2026/27

The Legionella Compliance Contract for the next year is up for renewal.

Council are asked to consider the renewal of the Legionella compliance contract for the Pavilion and W.C. facilities with the Council's preferred supplier, Hydro-X Water Treatment Ltd.

The current 2025/26 contract total is **£1,684.00 excluding VAT**.

The proposed 2026/27 contract total is **£1,692.00 excluding VAT**.

This represents an increase of **£8.00 excluding VAT**, equivalent to approximately **0.48%**. The scope of works remains broadly similar and continues to include:

- Legionella sampling and laboratory testing
- CWST inspections and cleaning/disinfection
- TMV servicing and failsafe checks
- Calorifier blowdown works
- Compliance monitoring and reporting

Hydro-X remain registered with the Legionella Control Association and have provided the Council's current compliance services.

Recommendation

Council is requested to consider whether it wishes to accept the 2026/27 Legionella compliance contract from the Council's preferred supplier, Hydro-X Water Treatment Ltd, at a cost of **£1,692.00 excluding VAT**.

This concludes my report.
