

Social Housing Assets

The code requires that local authorities must publish details of the value of social housing stock that is held in their Housing revenue Account.

The following social housing stock data must be published:

- Valuation data to be listed at postal sector level
- Valuation data for the dwellings using both Existing Use Value for Social Housing and market value as at 1 April
- An explanation of the difference between tenanted sale value of dwellings within the Housing revenue Account and their market sale value

Broadclyst Parish Council does not hold any social housing stock and therefore has no information to publish.
